

Tamerica TCC230 9" Pouch Laminator

The Tamerica Tashin TCC 230 9" Pouch Laminator makes it easy for you to get professional laminating results right in your own office. This pouch laminator will allow you to laminate letter and legal size documents using laminating pouches up to 10mil in thickness. An adjustable temperature dial allows for perfect temperature settings.

A green light indicator shows the laminator is powered on and a yellow light indicator shows your machine is ready to laminate. Enclosed in a metal casing and designed with rugged components the TCC 230 pouch laminator is designed to provide years of worry free laminating.

Features

The Tamerica TCC230 9" Pouch Laminator offers carefully designed features intended to quickly get you up and running. The easy-to-use design makes the operator's job simpler with features such as:
