

THE VERSATILE LAMINATOR

GBC ULTIMA® 35 LAMINATOR

The Ultima 35 Desktop Roll Laminator is perfect for offices, schools, retail stores, day cares, churches and anyone who laminates often. It consistently delivers high-quality results and uses GBC's patented EZload roll film to eliminate film loading errors.

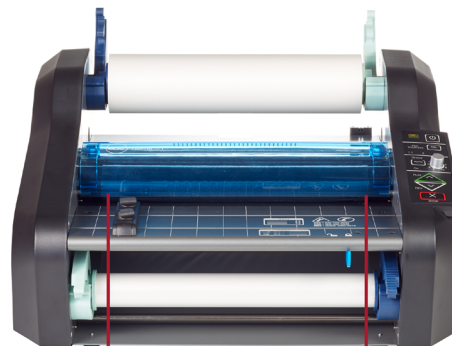

FEATURES:

- One-touch AutoSpeed takes the guess work out of lamination by automatically adjusting the laminating speed for you
- Fast under 2 minute warm-up time
- Ultra-Fast lamination speed of 36" per minute
- EZLoad technology makes loading film as easy as possible and helps eliminate film loading mistakes
- Heat Shoe Accutherm™ heating technology provides flawless, consistent results – every time
- Built-in trimmer, LED ready light and reverse function
- Maximum document width of 12" wide
- Auto shut off after 2 hours of non-use
- Limited 1-year warranty.
16.8" L x 19.4" W x 11.14" H. 40lbs.
- Laminator is compatible with GBC EZLoad blue end cap roll film: 1.7 – 5 mil thickness, 12" max roll width, 1" core
