

Gfp 800 Series

Professional Dual Heat Laminators

Our most flexible, cost-effective laminator yet.

For finishing professionals who need versatility, quality, and economy in one machine, the **Gfp 800 Series** delivers. Turn out thermal encapsulation with low melt films (1.5-10mil), PSA lamination, and mounting jobs quickly and easily. Operators will spend less time on set-ups and changeovers thanks to swing out supply shafts and film rolls up to 10" in diameter. Two front rewind shafts allow thermal encapsulation of prints from a roll.

Versatile productivity for the bottom line – That's the **Gfp** difference.

- ✓ Two swing out supply shafts
- ✓ Two front unwind shafts
- ✓ Roller diameter 5.25"
- ✓ Web clutch adjustment
- ✓ Variable roller gap 1"
- ✓ Motorized rear rewind option
- ✓ Infinitely variable nip adjustment
- ✓ Independent top/bottom heaters
- ✓ Swing up feed table
- ✓ Dual tension controls
- ✓ Print pressure plate
- ✓ 36" table height output
- ✓ Silicone rollers
- ✓ CE Certified
