

# Pinnacle 27 EZload™

## 27" roll laminator

The Pinnacle 27 EZload™ incorporates superior engineering to deliver the highest level of professional lamination quality, easy and intuitive operation and error free film loading. Combining GBC®'s patented EZload™ film loading simplicity and AccuTherm™ heating technology, the Pinnacle 27 EZload outperforms all other laminators in its class.

Incorrectly loaded film is the number one reason for costly service calls. The patented EZload film loading method eliminates the possibility of loading film incorrectly - making the process foolproof. And, AccuTherm heating technology provides the most consistent lamination quality with the highest clarity, even on long runs.

A fully featured control panel completes the Pinnacle 27 EZload by making operation of the laminator simple. Whether using Nap-Lam® I or II film, school projects, banners, posters and more will be at the top of the class.

## Features and benefits

- Foolproof film loading with GBC's patented EZload technology
- Fast warm-up time of less than 10 minutes
- Runs both Nap-Lam I and Nap-Lam II films; up to 3 mil thick
- Integrated temperature gauge and footage counter
- Built in horizontal trimmer

## Films and adhesives

For best results use high-quality GBC laminating film

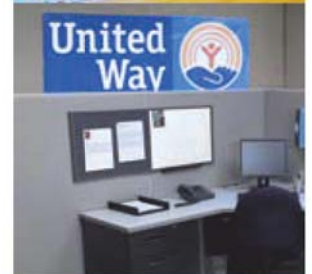

- Nap-Lam® I Roll Film – 1.2 mil to 3 mil
- Nap-Lam II Roll film – 1.2 mil to 3 mil

## Applications

- Posters
- Banners
- Charts
- Presentations
- Projects
- Signs
- Large photos
- Crafts

## Specifications

Product number	1701720EZ
Photo quality	Yes
Warm-up time	6-9 minutes
Speed	Up to 12' per minute
Temperature control	Variable for Nap-Lam® I or II film
Cold lamination	No
Speed control	Variable (10 settings)
Heating	2 heat shoes, 2 heated rollers
Throat width	27"
Footage counter	Yes
Film thickness	Up to 3 mil
Ready indicator	Yes
Rollers	2 heated, 2 pull
One touch key pad	Yes
Reverse switch	Yes
Auto shut-off	Yes
Warranty	1 year
Weight	101.2 lbs
Dimensions (W x L x H)	35½" x 21" x 14¼"
Power requirements	120V ~ 60Hz 12 amps
Safety	CE, C/UL
