

Sircle SkyLam 335-6R

13" Pouch Laminator

The Sircle SkyLam 335-6R from Sircle is the ideal pouch laminator for large office environments in which there is a demand for high volume lamination. Designed with efficiency in mind, the SkyLam 335-6R is equipped with 6 rollers, 4 of which are heated, and can laminate up to 51" per minute. With a 13" throat capacity, you can preserve and protect almost any size document with the SkyLam 335-6R. Laminate carrier free, any item with up to a 10mil laminating pouch. The SkyLam 335-6R pouch laminator includes a reverse switch which easily clears jams, a quick 5 minute warm-up time, and electronic speed and temperature controls.
